The Mount Verson Estate Fund.

If the Lady Vice-Regent, the Board of Managers, the Board of Councillors, and the County-Managers of the Mount Verson Fund, all and singular, of the State of Illinois, will add another string to their bow; and in addition to their proposal to buy the benes of Washington who degrades it, they will swell their receipts to any amount required for this pious purpose. We take it that their complex machinery does net grind out the dollars as fast as was expected, for the great job indicated in their eloquent appeals. Let them bargain that Washington (John A.) shall Pedger; and renounce all relationship to the Father of his Country, as well as all owner-ship in the Mount Vernon Estate, and our word for it, though the price demanded were more than all the Washington niggers would bring on the block, it would be sheerfully
